SLH

Height Adjustable Speaker Stands

PRODUCT DESCRIPTION

Designed with smaller bookshelf and satellite speakers in mind, SLH speaker stands ensure your speakers are positioned in-line with your ears—the sweet spot for accurate, linear sound. Whether you're creating an immersive multi-channel home theater, or securing the satellite speakers from your Atmos soundbar, SLH's adjustability from 26" to 40" brings out the very best in your music, movies, and games. Crafted from durable steel, SLH boasts a solid base and post that minimize vibrations, so your speakers can sing without unwanted coloration or distortion. Compatible with most leading compact speakers featuring a standard ¼-20 or keyhole insert, SLH is an easy and elegant solution for anyone who appreciates both exceptional audio performance and understated style.
