## PRODUCT DESCRIPTION

Designed for midsize to full-size bookshelf speakers up to 30 lbs, SPH positions your speakers for accurate, immersive sound. Height-adjustable from 24" to 42", it makes it easy to align tweeters at ear level. All-steel construction provides reliable support, while a dual-screw locking system minimizes vibrations for clear, true-to-life audio. With included carpet spikes and rubber feet for stability on any surface, SPH lets your speakers shine without visual clutter.
